517	77	64%	8%	53%

Instructions
 Default numbers are state totals, averages and medians.
 3 Click on a county on the map to view county-level information.
 3 Click anywhere else on the map to get back to the state numbers.
 6 You can download a PDF copy of this report card on the bottom right corner of this dashboard.

How the data quality score is calculated
 Each county is scored based on the completeness of data collected in HMIS (50%) and the quality of data submitted to the Department of Commerce for the 2017 Annual Report (50%). HMIS Project Coverage is scored separately.

Overall Data Quality Score 60% 100%
