Request for Proposals for Existing Jail SUD Services

As part of sustaining a coordinated continuum of care, Grays Harbor County is interested in contracting with a qualified agency to perform Substance Use Disorder (SUD) assessments and behavioral health programming with individuals incarcerated in the Grays Harbor County Jail. These individuals will have identified as having a Substance Use Disorder (SUD) and are participating in the jail-based treatment program.

REQUEST FOR PROPOSALS

Through a variety of new funding sources, Grays Harbor County (the "County") is soliciting requests for proposals for the purpose of continuing and expanding SUD services primarily to identified individuals incarcerated in the Grays Harbor County Jail (the "Jail") to support a continuum of care and path to recovery, with the ability to conduct SUD assessment in Aberdeen and Hoquiam jail by arrangement. Notice is hereby given that letters of interest and statement of qualifications will be received by the County, for Jail SUD Services by filing with the County at the location below.

Grays Harbor County Request for Proposals

Introduction

The County has issued a Request for Proposals (RFP) to solicit proposals to enter into an agreement to continue existing Substance Use Disorder (SUD) services (assessments and behavioral health programming) for individuals incarcerated in the County Jail. The RFP is intended for applicants with the necessary capacity and experience to successfully engage with the Jail Medical and Re-entry Teams for care coordination. Current contractors must provide a renewal request that states interest and capacity, as well as a projected budget. New applicants must submit a narrative response to the questions at the end of this RFP and a new project application.

With expanded funding, the contractor may occasionally be requested to perform SUD assessments for individuals in the Aberdeen and Hoquiam jail by arrangement.

Applicants must demonstrate the ability to provide consistent structure for performing SUD assessments and behavioral health programming in the jail environment.

Objectives and Scope of Work

The awarded contractor will work with the Jail Medical and Re-Entry Team to coordinate care. This work will include but is not limited to:

- Ability to conduct and document client assessment and build client-led service plan from that process
- Ability to provide behavioral health programming consistent with client needs
- Establish trusting relationships with the justice-involved target population
- Work collaboratively with the partners to ensure that all client needs are identified and addressed
- Collaborate with Jail Medical and Re-Entry Team to identify high-risk clients and assist in the coordination of various behavioral health supports
- Ability to provide SUD assessments in other jails (Aberdeen/Hoquiam) by arrangement

Funding Available

Funding for this opportunity is made possible through a variety of grants and award amount will be contingent upon services negotiated by the County from the successful bidder.

The County reserves the rights to reject any proposal that is incomplete or does not meet the requisite qualifications or to recommend contract amounts less than the estimated budget.

The County reserves the right to recommend contract amounts less than the minimum budget and to reject any proposal that is non-responsive to this Request for Proposals. This RFP does not obligate the County to pay any costs incurred by respondents in the preparation and submission of their proposal. Furthermore, the RFP does not obligate the County to accept or contract for any expressed or implied services.

Successful applicants will work with the County to negotiate formal contracts with specific deliverables, timelines, and outcomes. The County will be responsible for monitoring all recipients of subaward grant funds to ensure alignment with fund requirements and contract deliverables.

RFP Qualifications Considerations

The following are minimum qualifications for bidders:

- Documented experience in providing direct services to marginalized populations
- Currently employ at least one SUDP who can be assigned to this project
- Currently employ at least one supervisor who is familiar with care coordination systems
- Established relationships and trust in the underserved communities of Grays Harbor, based on geography, race, or other criteria
- Experience working with government or other regulatory agencies
- Applicants must have adequate foundational capacity including administrative infrastructure with ability to routinely bill for services on a reimbursement basis
- Ability to participate in coordinated staffing as needed with Jail Medical and Re-Entry Team
- Ability to advocate on clients behalf for services to improve health
- Ability to collect and maintain data related to program outcomes

RFP Submittal Information

Renewal requests must meet the following:

- (1) Letter/statement of interest with the ability to address all SUD
- (2) Yearly requested budget

New applicants must meet the following:

- (1) A cover letter/statement of interest indicating agency's ability to meet minimum qualifications
- (2) Answer all components the RFP Narrative (Attachment A)
- (3) The funding request must be reasonable based upon the proposed scope
- (4) All materials must be submitted by noted deadline

- **INSURANCE REQUIREMENTS:** The selected agency shall maintain insurance that is sufficient to protect the agency's business against all applicable risks, as set forth in the County's Standard Insurance Requirements Please review insurance requirements prior to submitting a statement of qualifications. If selected agency is unable to meet these standard requirements, please note current or proposed insurance coverages in submittal. Standard requirements may be negotiated if it is in the best interest of the County.
- **BUSINESS REGISTRATION AND TAXATION:** The agencies awarded a contract must be licensed and registered to operate a business under state and local laws and regulations, and shall be required to submit verification of said licensure and registration prior to execution of the contract.
- **NON-ENDORSEMENT:** As a result of the selection of an agency to supply products and/or services to the County, agency agrees to make no reference to the County in any literature, promotional material, brochures, sales presentation or the like without the express written consent of the County.
- **NON-COLLUSION:** Submittal and signature of a statement of qualifications swears that the document is genuine and not a sham or collusive, and not made in the interest of any person not named, and that the agency has not induced or solicited others to submit a sham offer, or to refrain from submitting proposals.
- **COMPLIANCE WITH LAWS AND REGULATIONS:** In addition to nondiscrimination and affirmative action compliance requirements previously listed, the agency or agencies ultimately awarded a contract shall comply with federal, state and local laws, statutes and ordinances relative to the execution of the work. This requirement includes, but is not limited to, protection of public and employee safety and health; environmental protection; waste reduction and recycling; the protection of natural resources; permits; fees; taxes; and similar subjects.
- **PUBLIC RECORDS:** Under Washington state law, all documents (including but not limited to written, printed, graphic, electronic, photographic or voice mail materials and/or transcriptions, recordings or reproductions thereof; and including any documents identified by the proposer as proprietary) submitted in response to this RFQ (the "documents") become a public record upon submission to the County, subject to mandatory disclosure upon request by any person, unless the documents are exempted from public disclosure by a specific provision of law. If the County receives a request for inspection or copying of any such documents it will promptly notify the person submitting the documents to the County (by U.S. mail and by fax if the person has provided a fax number) and upon the written request of such person, received by the County within five (5) days of the mailing of such notice, will postpone disclosure of the documents for a reasonable period of time as permitted by law to enable such person to seek a court order prohibiting or conditioning the release of the documents. The County assumes no contractual obligation to enforce any exemption.

The County does not accept any responsibility for agreements, contracts or purchase orders issued by other public agencies to the agency. Each public agency accepts responsibility for compliance with any additional or varying laws and regulations governing purchase by or on behalf of the public agency. The County accepts no responsibility for the performance of the agency in providing goods and/or services to other public agencies, nor any responsibility for the payment price to the agency for other public agency purchases.

Evaluation Process

- County staff will review all submitted proposals to confirm they have met threshold criteria
- Staff may arrange presentations or host Q & A forums with applicants to get additional contextual information or answer questions that emerge from review
- Grant Coordinator reviews recommendations and submits final result of RFP process to Board of County Commissioners for review and approval
- Successful bidder will work with grant administrator or appointed representative to draft and finalize contracts that outline scope of work, budget, and deliverables – to be monitored by the Health Department
